

To Whom It May Concern:

I am pleased to announce Brevard Montessori School's Sixth Annual Golf Tournament on Saturday, February 23rd at Baytree National Golf Links in Melbourne, FL. The event offers a day of golf, prizes, awards, raffles, silent auction and dinner. More importantly, the proceeds of the Golf Tournament and Silent Auction provide funding to meet BMS's operating expenses-- from facility costs to school supplies and scholarships.

Our mission at BMS, a 501(c) (3) nonprofit organization, is to provide a learning environment for children ages two through six that strives to follow the principles of Dr. Maria Montessori and to provide a nurturing community where children develop a love of learning and grow in the spirit of curiosity. As a nonprofit, a significant source of funding comes through private donations via events like the Golf Tournament. Sponsorship of the event or a donation to be given as a prize or for the silent auction will go a long way to support the educational needs for the families with children who attend BMS. This would also be a good opportunity to cultivate loyal, life-long patrons of your company.
